

Turmeric Heritage

A Legacy of Indian Turmeric

Known as the **Golden Spice** of India, turmeric has been an integral part of Indian agriculture, cuisine, Ayurveda, and wellness traditions for centuries.

Today, India remains the world's largest producer and exporter of turmeric, supplying globally trusted varieties known for their purity, color, aroma, and curcumin-rich properties.

At **Andromage Global LLP**, we connect international buyers with premium Indian turmeric sourced through trusted supply networks and export-focused quality standards.
